

## **PUBLIC FORUM – WATER AND SEWERAGE SERVICES TARIFF REVIEW 2016**

On **Tuesday, 6 December 2016**, the Independent Competition and Regulatory Commission (the Commission) will hold a public forum on the Draft Report for the Water and Sewerage Services Tariff Review 2016.

The public forum will be held at the Waldorf on London, 2 Akuna Street, Canberra City commencing at 5.00pm and will include a presentation by the Commission followed by a question and answer session.

### **Background**

The purpose of the tariff review is to determine whether the current water and sewerage services tariff structure will continue to deliver the best outcome for the ACT community, or whether changes are required.

The review of Icon Water's water and sewerage services tariff structures commenced with the publication of an issues paper in November 2015, followed by the release of two technical papers on the elasticity of demand for water and marginal cost pricing in the ACT. On 6 September 2016, the Commission released its Draft Report.

The draft report, all other review papers, and all submissions are available on the Commission's website at [www.icrc.act.gov.au](http://www.icrc.act.gov.au) or can be obtained by either contacting the Commission on (02) 6207 3212 or via email at [icrc@act.gov.au](mailto:icrc@act.gov.au).

### **Public Forum**

The public forum is open to all and attendees have the opportunity to present or participate as observers. Anyone wishing to present will need to notify the Commission beforehand.
