

STATEMENT OF INTENT, 2018-19—AMENDED TABLE 3

There was an error in Table 3 included in the ICRC's 2018-19 Statement of Intent published in Budget Statements B. The table below is correct.

Assessment of performance against 2017-18 objectives

Table 1: Comparison of estimated performance at 30 June 2017 and the Statement of Intent for 2017-18

Item	Measure	Estimated performance
Water and sewerage services pricing	Price determination. ¹	Released draft and final reports. Made one price determination.
Retail electricity pricing	Price adjustment.	Completed price adjustment.
Utilities compliance and performance	1 report.	Completed 1 report.
Utility licence fees (water, sewerage services, and energy sector utilities not subject to energy industry levy)	1 determination. Collection of licence fees. ¹	Completed 1 determination. Collected licence fees.
Utility levies (energy sector)	3 determinations.	Completed 3 determinations.
Advice on referred matters	Subject to receipt of references.	No additional references were received in 2017-18.

Note(s):

1. In addition to the performance measures included in the Statement of Intent for 2017-18, the Commission:
 - made a determination on the application by Icon Water for an industry code covering capital contributions for water and sewerage infrastructure upgrades; and
 - revised the levy model to reflect legislative changes to the Utilities Act.
