independent competition and regulatory commission

## Notice of review option of Price Direction

On 5 June 2020, the Independent Competition and Regulatory Commission (Commission) released its Price Direction – Standing offer for the supply of electricity to small customers from 1 July 2020 (Price Direction) for the supply of services by ActewAGL.

The Commission gives notice that a review of the Price Direction is available under part 4C of the *Independent Competition and Regulatory Commission Act 1997* (ICRC Act).

Under section 24K of the ICRC Act, an eligible person may apply for a review. An application for the review must be lodged with the Commission within three months after the date when the final report is presented to the ACT Legislative Assembly.
