COMMISSION RELEASES TECHNICAL PAPER ON MARGINAL COST PRICING IN THE ACT

The ACT Independent Competition and Regulatory Commission (the Commission) today released a technical paper on marginal cost pricing in the ACT as part of its review of Icon Water's water and sewerage services tariffs.

This is the second technical paper released by the Commission that examines specific pricing matters to provide the necessary evidence base to inform the tariff review draft report, scheduled for publication in September 2016.

This technical paper on marginal cost pricing examines whether Icon Water's current tariff structure is sending suitable price signals to customers about the efficient costs of water and sewerage services in the ACT.

Stakeholders are invited to make a submission on this and other tariff review papers by **15 July 2016**.

The paper is available on the Commission's website at www.icrc.act.gov.au or can be obtained by either contacting the Commission on (02) 6205 0799 or via email at icrc@act.gov.au.

Submissions can be sent to the Commission by post at GPO Box 161, Civic Square ACT 2608; via e-mail at icrc@act.gov.au, or lodged at the Commission's offices at Level 8, 221 London Circuit, Canberra City.
